Technical drawing of a rectangular plate with a central rectangular cutout and a semi-circular bottom edge. The drawing includes dimensions for overall size, cutout size, and various holes. A 3D perspective view is shown at the bottom left.

Dimensions:

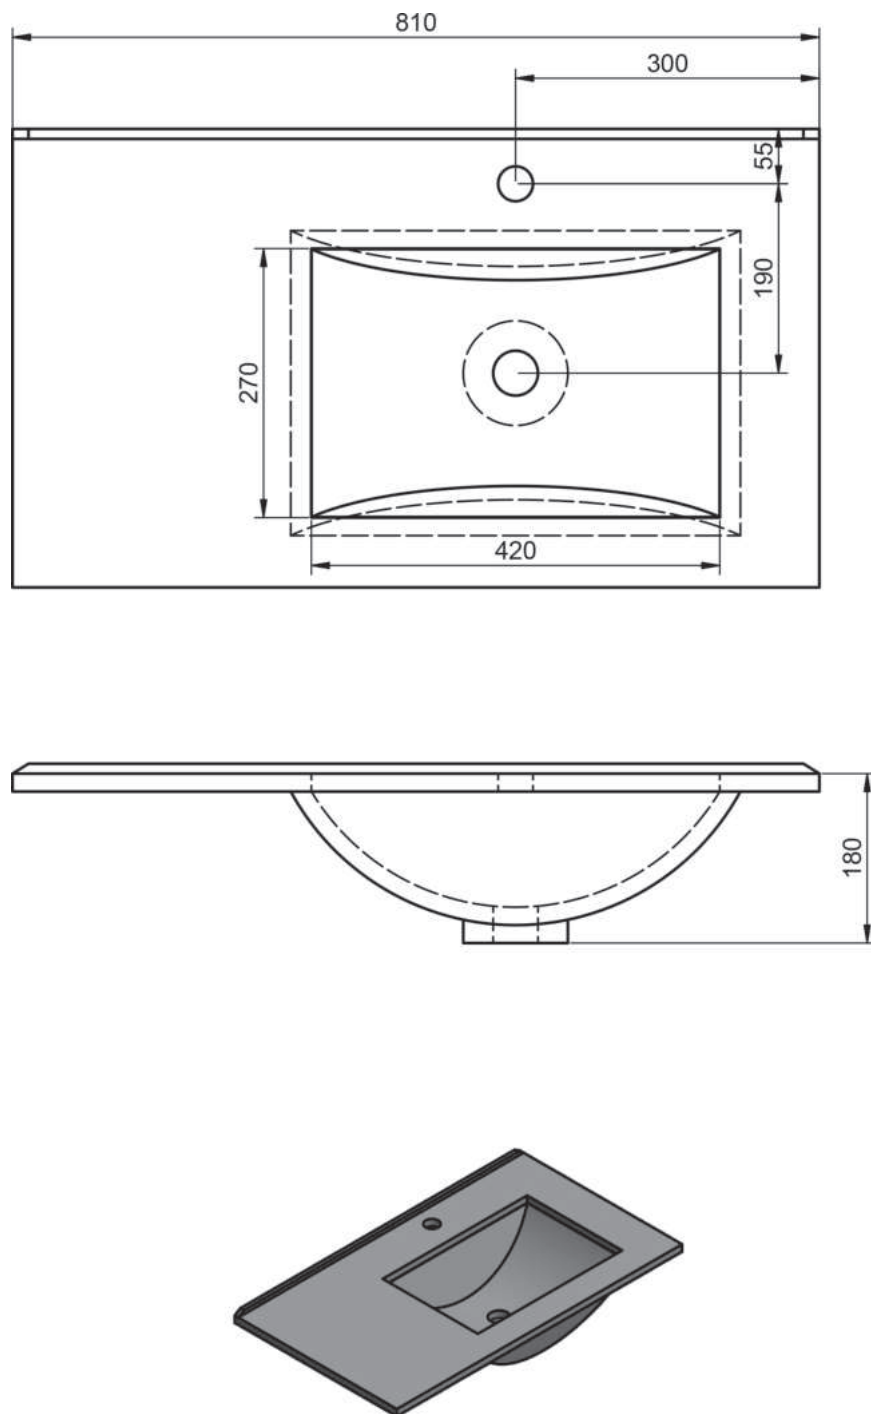

- Overall width: 395
- Overall height: 160
- Central cutout width: 430
- Central cutout height: 204
- Distance from top edge to cutout top: 120,50
- Distance from cutout bottom to bottom edge: 70,50
- Distance from left edge to cutout left: 60
- Distance from cutout right to right edge: 190
- Distance from left edge to semi-circular start: 810
- Radius of semi-circular bottom: R255
- Height of semi-circular section: 110
- Thickness of plate: 23
- Thickness of central cutout: 18
- Hole diameters: $\phi 35$, $\phi 45$, $\phi 25$
- Other dimensions: 20, 810, 70, 45, 25

3D View: A perspective view of the plate showing the central cutout and the semi-circular bottom edge.
